Seating Systems

Indoor

Metric

Metric stands out with the dynamic silhouette of its vertical carriers at different heights and the vibrant rhythm it adds to the space.

Metric

Seating Systems

Indoor

The high and low backrest surfaces are treated as both a carrier and an element that creates the rhythm of the extraordinary aesthetics of the design.

Designer

Metric

Seating Systems

Indoor

Fixed back cushions are part of the design and maximize comfort. Its structure, open to modulation options, allows for customization and space-specific placement.

In addition to different color and fabric combinations, the optional neolith, lacquered, natural veneer, or marble coffee table option increases its functionality.

MATERIAL CATALOGUE 

FABRIC & LEATHER CATALOGUE 

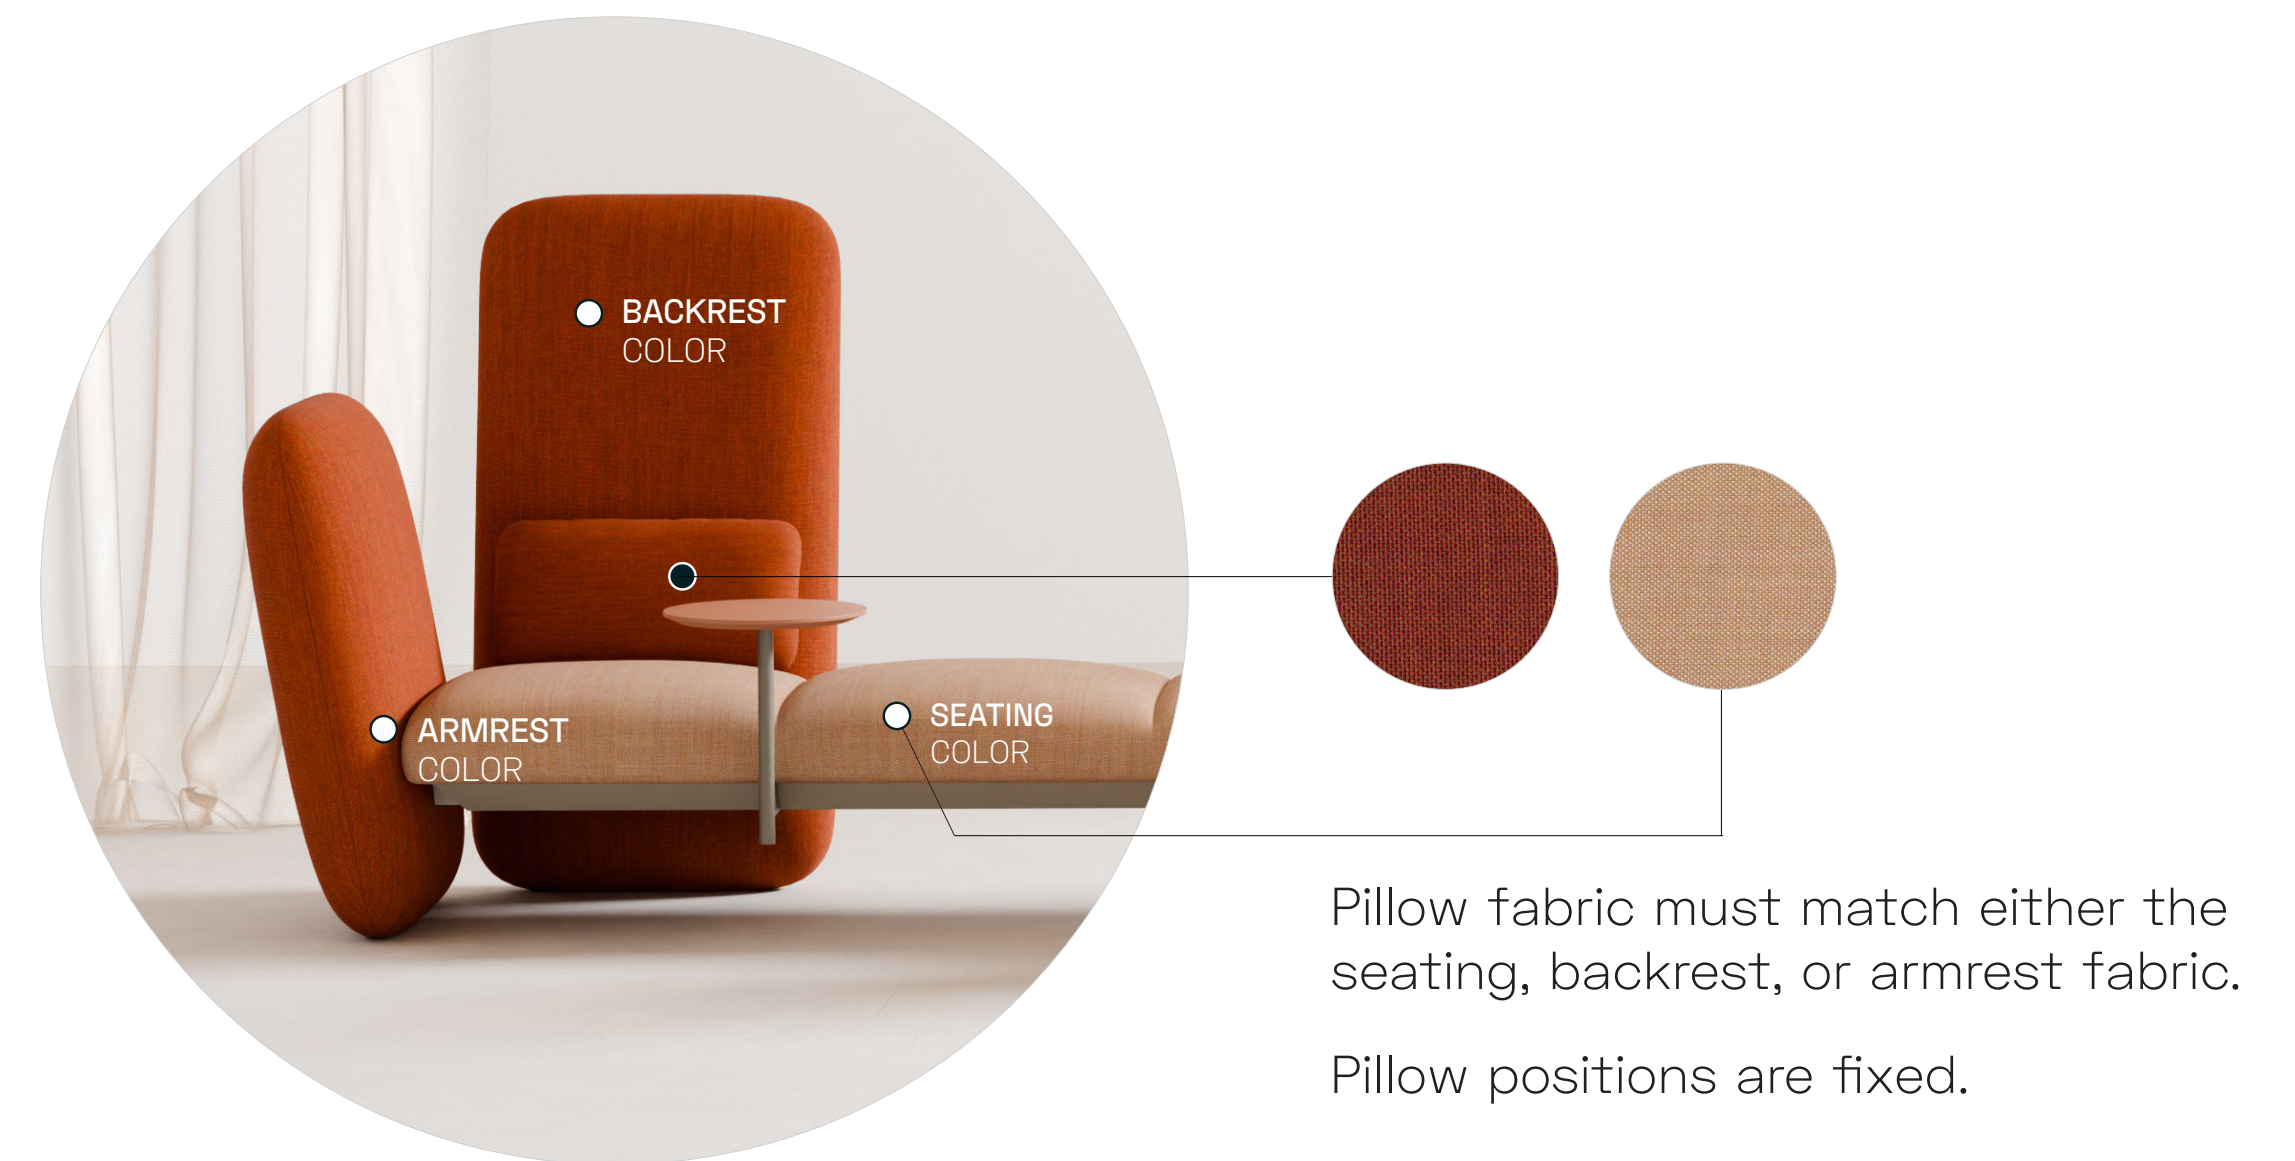

The seating modules (2, 3, and 4-seater) is made as a single piece; therefore, one fabric must be selected per module. It cannot be upholstered in multiple fabrics.

The backrest and armrest **within the same module must be chosen from the same fabric category** as the selected seating upholstery.

(For example, if fabric **category A** is selected for the seat, the backrest and armrest must also be selected from fabric **category A**.)

For pricing information on alternative combinations, please contact our sales department.

Pillow fabric must match either the seating, backrest, or armrest fabric.

Pillow positions are fixed.

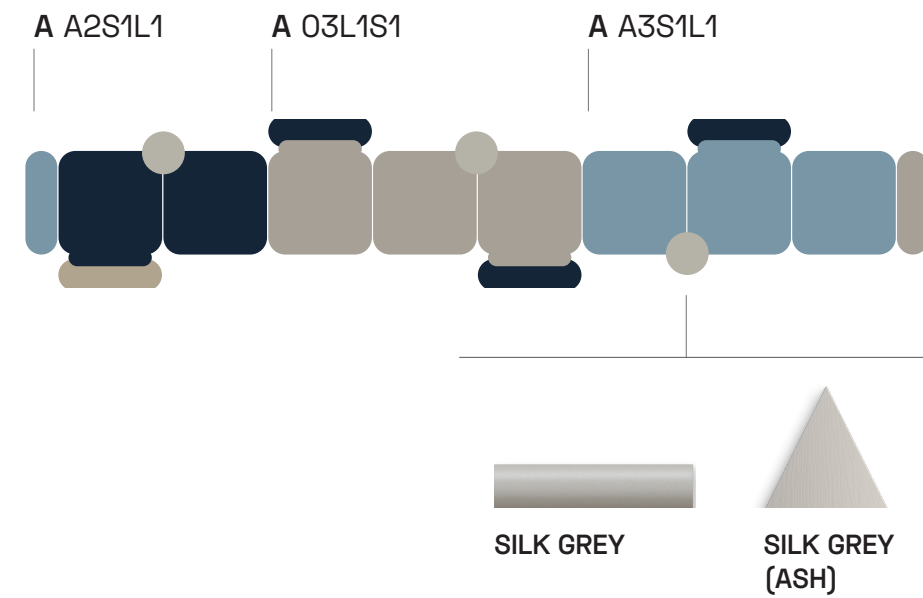

METRIC INSPIRATION BOARD

As a highly configurable system, Metric invites a considered interplay of proportions, fabrics, finishes and optional tabletops, enabling bespoke compositions for any environment.

For this inspiration guide, our stylist Aslı Gürşen presents refined colour and material pairings: concise, evocative directions that simplify specification and help realise Metric's design intent.
