Pod

Meet QUAD and TRI—two members of the Pod family by Japanese designer Jin Kuramoto. They create a ground for the play of light, offer an impressive aesthetic of the integration of form with space, and emphasize comfort!

Pod

Seating Islands

Indoor

With minimalist lines, the Pod family adapts and transforms the area it occupies. In spacious interiors with high ceilings, it creates a bold and playful effect through multiple arrangements, while in smaller spaces like exhibition areas, it becomes a captivating focal point.
